

Reynolds Review

WORKING TOGETHER

Curriculum Vitae

Whilst the market is currently quiet, we always welcome CV's from applicants from a variety of backgrounds.

If you know of any friends, family or colleagues, who are looking for work, tell them to send their CV into us.

If you need any assistance putting together your CV, Reynolds can help! For a nominal fee of £10, we can create a comprehensive CV for you in an electronic format, along with a single printed copy.

Help us to help you!

We pride ourselves on ensuring that all our staff get paid on time.

To help make sure this continues, please can you ensure that all timesheets are returned to the office no later than Tuesday AM.

Delaying this process causes problems at our end and results in late payment on our invoices. Many Thanks.

We have recently upgraded the payroll software to now include an e-mail facility to process payslips, so anyone wishing to go 'paperless' and receive their payslip via the internet must send their e-mail address to darren@reynoldsrecruitment.com

You will help to reduce both Reynolds and your own 'carbon footprint' too!

Current Vacancies Social Care

We currently require part time support, in particular weekend shifts for non-skilled social workers throughout Derby. All workers will need to be CRB checked and must be qualified in 'Movement & Handling.'

Warehouse / Industrial

We will soon have vacancies for FLT Drivers and warehouse personnel based in West Hallam, Stanton & Colwick. Friends and family are welcome to come and register for these positions.

Congratulations

Congratulations to Tony Robinson, winner of our hugely popular Christmas Quiz 2009.

Tony was the winner of the tie breaker question which was needed as most who entered had managed to get every question right!!!

Tony wins a meal for 2 including a bottle of wine at Archies Restaurant in Sandiacre. Rod thought this was the hardest quiz to date, but obviously hadn't banked on all the swotting up everyone did!

A BIG THANK YOU

On behalf of all at Reynolds, Donna would like to express our thanks to all of the team who did such a great job working on the Erewash Borough Council contract over the past 24 months.

You are still very much part of the Reynolds team and we will keep you informed of any new opportunities as they arise.

Good Luck Sarah!

We would like to take this opportunity to say a big thank you to Sarah Harris for all of her hard work and help over the last couple of years.

Sarah has been a massive support to Rod and the Reynolds team during this period of growth and we wish her all the best as she leaves to pursue her athletics dream and career in sports massage.

Good Luck Sarah!

Staff Welfare

Uniforms

There are **FREE** Spring / Summer uniforms now available for all staff so please contact the office for further information.

Medical

LGV driver? Over 45? You'll need to undergo a medical before starting work to ensure you are fit and not suffering from any serious conditions e.g. heart related problems. Derby-based Doctor Gould, offers a full LGV Driver Medical for just £30, around a third of the cost charged by some practices! Call **08444 773758** to book yours.

Reynolds is one of just a few accredited training centres in Nottingham and is most certainly the only one funding their own employee's through the 35 hours of training.

We are also currently supporting a number of our key clients with the service.

We provide a full member log-on facility to allow candidates to monitor the number of training hours completed and we offer cash incentives to introduce non-employed Reynolds drivers to complete the driver CPC, paying £10 for every 7 hour course attended. Bookings can be made online and payment can be taken over the phone with either debit or credit card.

Attenborough Colts

Bored with Forest winning all the time? Had enough of watching Derby lose?

Then how about getting yourself down to see Attenborough Colts under 8's football team play on Saturday morning? Reynolds have officially sponsored them this season, supplying them with a brand new strip which sports our logo on the front.

Reviewing 2009

The year certainly got off to a difficult start as we experienced tough times in the first 4 months of the year.

We once again showed our resilience and ability to tough it out and enjoyed an excellent last two thirds of the year, with overall figures beating previous records. We saw more temps go out on placements throughout the year than ever before and turnover increased as a result. Well done for helping to make this happen and thanks for all of your support!

Marketing

New for 2010 we are delighted to announce the launch of Reynolds Marketing - an all encompassing service available to our clients which is designed to help them get their company message across to the thousands of potential customers out there.

Heading up this new venture will be our retained business-to-business marketing consultant, Dean Lale, who has been instrumental in helping Reynolds to develop

its company image and brand over the last couple of years.

The step into marketing is not the only new area Reynolds has expanding into, with a recent move into social care.

Reynolds has teamed up with leading procurement solutions provider, Comensura and has started to supply care assistants to the local public sector. We can also supply qualified nursery nurses and kitchen assistants too.

IIP Accreditation

2009 also saw Reynolds achieve IIP status, which was a fantastic achievement by the company and all of its staff.

But we are certainly not resting on our laurels as we are intending to reach ISO 9001 accreditation for 2010. This will demonstrate that the company's procedures are adhered to and followed through in a professional manner and ensure that we are accountable for all our actions.
